

Craftsmen Business Interiors would like you to join us in helping out families in our community this holiday season!

Lend a Helping Hand this Holiday

We will be collecting non-perishable food items, children's outerwear (hats, jackets, and gloves), and toys. The items we collect will be given to Cobb Christmas, Inc and MUST Ministries then distributed to families in the Metro Atlanta Area.

Any donation you or your company want to make will be greatly appreciated. Donations can be dropped off at our office or given to any of our field superintendents. We will also accept monetary donations and will buy needed items. Please make checks payable to Craftsmen Business Interiors and in the memo line include *Christmas Donations*.

All donations must be received by Friday December 3rd. This allows time to get the donations turned into the organizations and delivered to the families before the holiday.

Thank You!
