

## Office Equipment Recycling Day

Thank you to everyone at Colonial Center at Mansell Overlook who participated in our Office Equipment Recycling Day held on March 4<sup>th</sup>. Thanks for the support of Property Management. Without their support and encouragement this effort would not have been possible. Our Recycling Day was a very successful event and I am happy to report that we collected over 10,100 lbs. of equipment. Your response exceeded everyone's expectations. I believe the success of this event highlights the need for additional recycling opportunities.

Please continue to support recycling efforts wherever you may find them. We have asked Colonial Properties to invite us back this fall. We pledge to increase our effort to recycle at all of our construction project locations.
